Foreword

Just one year ago the flame of the first "Torch" was ignited. Now, the Class of '61 has endeavored to rekindle that flame with the same spark of enthusiasm that inspired the original staff. After months of endless work and preparation we present you the 1961 edition of the "Torch." We hope that it will serve as a lasting reminder of the most enjoyable days of our youth—those spent at East Bridgewater High.

STANLEY B. GOLDMAN
SUPERINTENDENT

Class of 1961:

When God called to Moses, His answer given in the Bible was "Hineni" (Here Am I).

Brave, proud words these are, fitting words with which to answer the challenges that our age presents, words that must not be spoken idly or thoughtlessly, but words that require spirit and sacrifice and a willingness to accept the responsibilities that our modern world has placed upon us.

Every young person occasionally feels that the problems which confront him are overwhelming. He feels terribly inadequate, and he does not see how he could ever be the modern counterpart of those people of past generations who were so often required to prove their deep faith in God and mankind.

Youth is a time of dreams, of discovery, of increased awareness, not only of oneself, but of others. It is a time of learning, of new experiences, of occasional sorrow, and a great deal of happiness. Let us resolve to use every privilege, every advantage and opportunity to the fullest extent to prepare to be men and women who shall be worthy of the blessings bestowed upon them, who shall fulfill their responsibilities to themselves, to society, and to God; who shall be able to reply to the challenges of their day, - "Here Am I."

HIGH SCHOOL
EMERY S. LOUD, PRINCIPAL

SCHOOL DEPARTMENT
EAST BRIDGEWATER
MASSACHUSETTS

To the students of East Bridgewater High School:

"We are living in a time of change and challenge without precedent in recorded history."* If we are to survive as a strong and respected nation we must, as the future leaders of our country, inculcate in ourselves certain qualties and ideals. Chief among these are industriousness, love of education, co-operativeness, and dedication to country. Such qualities and ideals can give a deeper meaning and a definite direction to every aspect of our lives; can help us to find ourselves and give us a new sense of dedication and purpose.

Sincerely,

Emery S. Loud

We remember it as if it were yesterday. That day in September 1957, when we, the class of 1961, entered the doors of East Bridgewater High School and thus began four years of high school and a lifetime of priceless memories.

As the freshman year opened, class officers were elected, a constitution was set up, the class motto was written, and the class colors were chosen by various committees in the class. To the rest of the school, these events were of little importance but this was our first taste of high school life.

The class pin, a blue and white octagon with the East Bridgewater High School emblem and the year '61 engraved on the face of the pin, was purchased by many of the members of our class.

In the spring of '59, we spent a most memorable day visiting historic Boston. It was the first time that the class had done anything together, and it was a day we will never forget! Will we?

The sophomore year was highlighted with the Sophomore Hop. The autumnal atmosphere and decorations encouraged the theme of "Twilight Time."

The Junior year was a happy and memorable one for all. Mr. Joseph Morey, our class advisor, helped us through many situations, most of which were concerned with the planning of our junior prom.

On the evening of April 29, 1960, the class of '61 sponsored its first formal, "Castle in the Clouds." The scene was set in an atmosphere of royalty, accentuated by a lovely background of roses, moonlight, and soft music. After the Grand March, led by the class officers, the royal atmosphere became authentic when Miss Doris Barnard, a member of the class of '61, was selected queen of our

Class History

prom. As Queen Doris accepted the honor by taking her place on the royal throne, she was presented a bouquet of roses by the president of our class.

The final and most important year in our high school lives finally arrived. As seniors, we immediately started work on the second edition of the yearbook, co-edited by James Hornstra and Mary Anderson.

December 9, 1960, was the debut for the talented members of the class who participated in the class play, "Arsenic and Old Lace."

As the months gradually became weeks, and the weeks eventually decreased, we found that it was June 14th, graduation day for the class of 1961.

Tears were shed by many, signifying that sadness existed in the hearts of those who dislike leaving friends and good times behind. Happiness, however, was shown by some people who realized that the first important bridge in their life had been crossed and that the future held friends and good times, too.

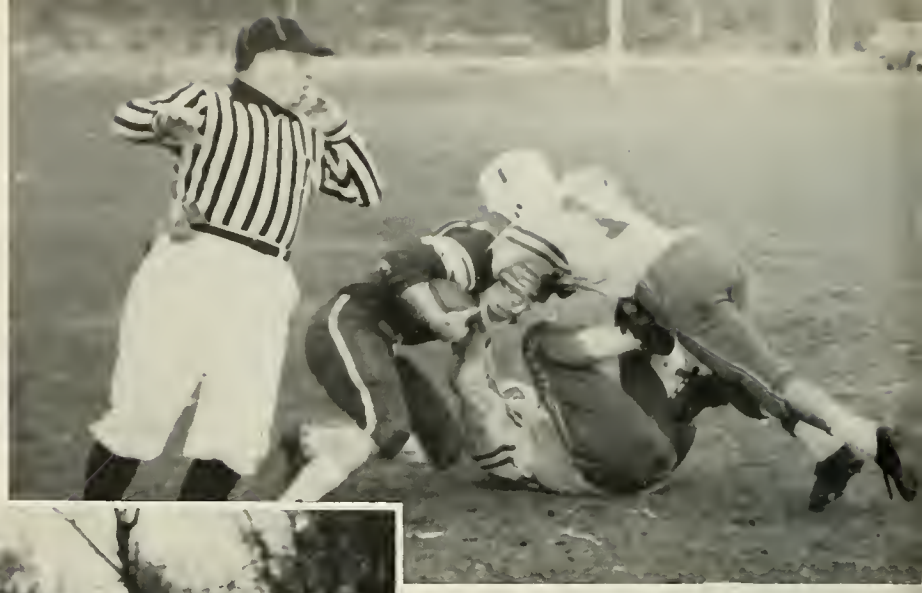
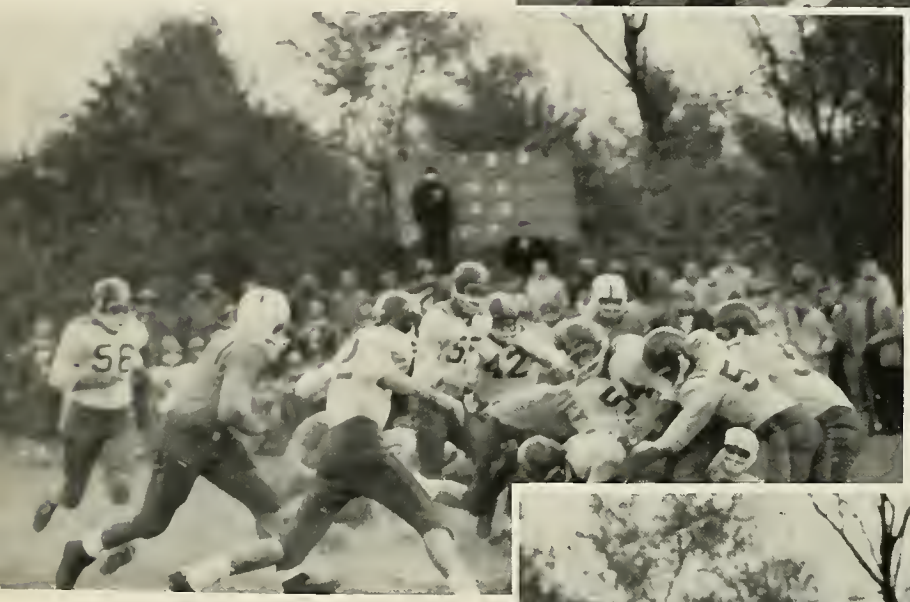
The East Bridgewater High School football squad had a rebuilding season this year. During the course of the season, Coach Malewicz had an opportunity to use numerous juniors and sophomores so that they might gain valuable playing experience. Thus, there will be a host of experienced players returning next year, led by Co-Captains-elect Roland Bullard and James Rocha.



One that didn't get away.



Hold that line!

Single line—no passing!

No help in sight!

We're sure Coach Mal can expect great things from these men in the forthcoming season.

Basketball

COACH JOSEPH F. MOREY

Our team came through in fine style this year in what was supposed to be a rebuilding season for East Bridgewater High basketball. (The season was filled with many exciting games including our home and away series with Marshfield when we lost the first game 61-60 but beat them on our home floor 64-62.) The team advanced to the quarterfinal round of the South Shore Tournament before we were eliminated by Bridgewater High, 60-50. in an exciting contest played at Oliver Ames High School Gymnasium.

With a fine nucleus of underclassmen returning, we are predicting great seasons for Coach Morey and his Easties.

Track

The score card of our track team's record of the 1961 season showed promise and deserves hearty congratulations. Extra credit goes to Eric Anderson, who during his four years in high, was an outstanding miler. Coach Malewicz also deserves recognition for his leadership and guidance throughout the season.

There were nine members on the cross-country team this year. Eric Anderson and Harold Dondero were co-captains of this team. East Bridgewater had a fairly successful season with three wins and four losses. We really appreciated having Mr. Agganis as a coach. This was his first year as coach of the cross country team, and he did a commendable job.

Baseball

COACH WILLIAM LEANUES

1961 should be a banner season for the E.B.H.S. baseball team. After a third place finish in league play last year, the Easties will be out for their first South Shore League Championship in the school's history. With six returning lettermen, Coach Leanues has the nucleus of a fine squad, one that we hope will bring the championship back to East Bridgewater High.

Easties Score Again

The Easties Field Hockey team has undoubtedly progressed steadily during its three years of existence in the school. The team is small in quantity, but rich in quality, and displays more courage and spirit than any other team in the league as a result of Mrs. Lovering's fine coaching. Next year's team will probably consist of the same players as Pam Fisher is the only player leaving the squad.

Its present twenty-nine members have achieved and maintained an average of eighty-five per cent or above, which is necessary to be eligible for membership in this fine organization.

STUDENT COUNCIL

Our student council performs a dual role. The two primary functions of this group are governing the four classes and acting as a intermediary between the pupils and the administration. The council, in co-operation with the School Committee and the Parent Teacher Association, helps to maintain the standard of fellowship and scholastic achievement of which we are proud.

We of the student council appreciate the assistance given to us by both faculty and students.
